

# 2024-2025 STATE OFFICER TEAM PROGRAM OF WORK

**RATIONALE** By “Building the **BLUE**print” of Nebraska Educators Rising, we will ensure the support and commitment necessary for the future success of our organization, while also recognizing and celebrating the contributions of our members.

## Strengthen member involvement through recognition initiatives.

Engage with individual chapters to increase involvement and membership by developing two new chapter recognition opportunities.

Enhance engagement with adults (Teacher Leaders, School Administrators, Alumni, etc.) by actively promoting awards and receiving at least five applications per award.

Elevate our social media presence by maintaining a weekly post and regularly sharing stories in order to gain at least 400 followers on Nebraska Educators Rising social media accounts.

## Collaborate with organizations that support the mission of Nebraska Educators Rising.

Establish connections with organizations and obtain four sponsorships.

Create five new networking opportunities with Teacher Preparation institutions, professional Education organizations, and business/industry.
